### Full job description

#### Overview

We are seeking a skilled and dedicated Licensed Plumber to join our team. The ideal candidate will possess strong mechanical knowledge and experience in plumbing systems, ensuring the installation, maintenance, and repair of various plumbing fixtures and systems. This role requires proficiency in reading blueprints and schematics, as well as the ability to work with hand and power tools effectively. The Plumber will be responsible for delivering high-quality workmanship while adhering to safety standards and regulations.

#### Responsibilities

- Install, repair, and maintain plumbing systems, including pipes, fittings, and fixtures in residential and commercial settings.
- Read and interpret blueprints and schematics to determine the layout of plumbing systems on new construction projects.
- Utilize hand tools and power tools for various plumbing tasks such as pipe threading and fixture installations.
- Conduct routine inspections of plumbing systems to identify potential issues or necessary repairs.
- Collaborate with other tradespeople, including HVAC technicians and electricians, as well as carpenters, to ensure integrated system functionality.

- Provide excellent customer service by addressing client inquiries and concerns regarding plumbing services.
- Maintain a clean and organized work environment and vehicle while adhering to safety protocols.

**Requirements**

- Proven mechanical knowledge with experience in plumbing systems.
- Familiarity with HVAC and electrical systems is a plus.
- Ability to read blueprints and schematics accurately.
- Proficient in using hand tools and power tools relevant to plumbing tasks.
- Experience as a maintenance person or in related fields is desirable.
- Strong problem-solving skills with attention to detail.
- A valid driver's license.
- Excellent communication skills and ability to work independently or as part of a team.

Join us in providing exceptional plumbing services while advancing your career in a supportive environment!
